WE HELP YOU BRIDGE YOUR **LANGUAGE GAPS**

ABOUT US

Transloka Lingua is an Indonesian translation and localization company based in Bali, Indonesia. It was founded by Desi Mandarini, a professional Indonesian translator and interpreter with more than 10 years of experience in the language industry. As an experienced linguist, she has assisted numerous clients with translation and interpretation as well as worked in several localization teams. She aspired to start her own business so she could help even more people and businesses who were struggling to convey their messages due to linguistic barriers.

That is why we are here to help you bridge your language gaps by providing quality, accurate translation, and language consultancy for all your localization and linguistic needs. Whether you are an individual or a company seeking assistance in translating your one-paragraph essay or your company website and online training materials, Transloka Lingua is ready to assist you and provide the best solutions.
